

## Ben Marsonet

With over 15 years of experience in the traffic management industry, Ben Marsonet has held various operational, commercial, and senior management roles. His journey began at Altus, where he spent 10 years in General Management and Executive positions, before being appointed to the role of Group CEO in July 2021.

Since his appointment, Ben has lead the business through a successful private equity investment, as well as doubling revenue and earnings of the business through a mix of organic growth and acquisition activity. Ben has an immense passion for the safety and growth of people, and is passionate about leading a business that has a genuine impact on its employees and the communities it operates in.

Altus Group is the largest and leading provider of traffic management services across Australia and New Zealand operating in 45+ locations, employing 4500 staff and operating a fleet of 2500+ assets.

Traffic Management NZ (TMNZ) is a division of the Altus Group.
