

A TRANSPORT NETWORK FOR FUTURE GENERATIONS WHAKATŪ/NELSON 9-12 JUNE. 2024

Hugh Marshall-Tate

I am our senior analyst and the climate change commission in the transport and Urban Systems team focused on Transport Modelling and data analysis. Background in energy systems and transport research. I hold a Masters degree from Massey University. Previously worked at the Asia-Pacific energy research Centre based in Tokyo Japan where we provided analysis on energy transition and security issues in the Apec region
